"If all the gold and silver, and all the things that men call wealth were mine, with every titled rank, I'd give them all for precious health." Thus in anguish wrote a lady teacher to a friend, telling of pitiless headache, of aching pain, of pain in back and loins, of rejection, weakness and nervous, feverish unrest. The friend knew both causes and cure and flashed back the answer, "Take Dr. E. S. Nelson's Favorite Prescription." The distressed teacher obeyed, was restored to perfect health, and her daily duties once more came a daily pleasure. For lady teachers, ladies and others kept long standing, or broken down by exhausting work, the "Prescription" is a most potent restorative tonic, and a certain cure for all female weakness. Guaranteed to cure every case or money returned. See printed guarantee around each bottle.
